B.F.A. Degree – 2017/2018

Major: Theatre Design & Technology

This program plan is valid only if the student registers for, and completes, a term at Brenau by summer 2018. If the student defers admission to fall 2018 or after, the student must contact the adviser to be changed to the subsequent catalog.

All major courses must have a grade of C or higher.

Theatre Practicum: Students who transfer into the program or who change their major to theatre while enrolled at Brenau are required to take practicum each semester (or until they meet the 12 hour credit requirement) except for when they are enrolled in TH 499, thus their total may be fewer than 12. Place a grade on each line below for each two (2) hour block of practicum taken. If the student transferred practicum credit to Brenau in a different format, use a clear area of the program plan to calculate the practicum hours.

_____ 6 hours TH 201 required

LE – Liberal Education course. All LE courses are noted on the plan whether satisfying a LE requirement or not.

Note: Students must earn a cumulative grade point average of 2.0 and a major grade point average of 2.50.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding
 The total number of hours on the student's transcript
 (available in CampusWEB)
 - hours earned for courses taken at the developmental level
 + courses currently registered for
 + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.

Residency requirement:
 A residency requirement of 30 semester hours is required to graduate from Brenau University. This includes a major residency of 21 semester hours.

Note: Financial aid recipients cannot receive aid for courses repeated unnecessarily or for courses not specifically required for their degree.

This program plan is not an official document. It is a tool to assist the student and adviser in schedule planning.

CONCENTRATIONS: Students will choose a concentration. (15 – 22 hours)
