

B.F.A. Degree – 2018/2019

Major: Costuming for Film & Theatre

Theatre Practicum: Students who transfer into the program or who change their major to theatre while enrolled at Brenau are required to take practicum each semester (or until they meet the 12-hour credit requirement) except for when they are enrolled in TH 499, thus their total may be fewer than 12. Place a grade on each line below for each two (2) hour block of practicum taken. If the student transferred practicum credit to Brenau in a different format, use a clear area of the program plan to calculate the practicum hours.

Electives: Electives are not listed on the program plan by the Admissions Office, however all courses are posted to the student's transcript. Electives needed for graduation can be calculated simply by:

Adding

The total number of hours on the student's transcript
 (available in CampusWEB)
 - hours earned for courses taken at the developmental level
 + courses currently registered for
 + courses still outstanding.

A minimum of 120 semester hours is required to graduate from Brenau University. After completing liberal education and major requirements, if the total number of hours on the student's transcript is not at 120, then the student must take enough general elective hours to reach a cumulative total of 120 hours. If a course is repeated, it is the student's responsibility to contact the Registrar's Office to adjust the earned hours on their transcript so that they are not short hours at graduation. Due to placement, a student may graduate with more than 120 semester hours.
