HOW TO SCHEDULE YOUR ENGLISH PLACEMENT TEST

There are several ways to take the English placement test.

1. During the academic year, you may contact the appropriate person on the following list to schedule your English Placement Test at a Brenau campus. Please note that, due to heavy demand at the Gainesville Campus, common testing sessions are held at the Brenau Gainesville Campus. You may take the test outside of one of these dates at a different location or online.
2. During the summer registration events, a testing opportunity will be held at the Gainesville campus several days before registration begins. See the following schedule.
3. If you are at a remote distance from all of Brenau's campuses and/or you wish to take the test at your convenience, you may choose the online remote proctoring option. Please note that this option does entail a \$25 fee paid directly to the remote proctoring company. To use this option, please contact Ms. Whitney Neveils (see below) to receive an Accuplacer voucher number. **Before** registering with the proctoring site, you must attain this voucher. You will not be able to take the test without the voucher. You will then proceed to accuplacerlive.onlineproctornow.com to register, pay for your exam, schedule an appointment, test your system and connect for your exam.
