

OT for Bakersfield, CA with mentorship for new grads

We are searching for dynamic therapist to join our team! We are a 66 bed inpatient hospital that offers comprehensive inpatient rehabilitation services designed to return patients to leading active and independent lives.

Our patient mix is comprised of many different diagnoses including stroke, brain injury, multiple trauma, neuro, multiple joint arthritis, hip fractures and spinal cord injuries, pulmonary, orthopedics, cardiac and general deconditioned patients.

Surrounded by three mountain ranges, the Sierra Nevada's on the east, the Temblor Range on the West and the Tehachapi's to the South. A central location in one of California's fastest growing communities. Our therapy team is comprised of a close-knit group of peers dedicated to being innovative and progressive and dedicated to providing excellent care to our patients. Our cohesive group of therapists has come from the east and west coast alike.

Our residents are active, taking advantage of 2 lakes, 12 golf courses, 18 tennis facilities, 2 roller skating rinks, 3 bowling facilities and more than 50 neighborhood community parks. Water and snow skiing, fishing, hunting, hiking and rock climbing are just a short drive away.

For those who want a change of scenery, Los Angeles, San Diego and the Pacific Coast are just a few hours away. For the more adventurous, San Francisco, Lake Tahoe and Las Vegas are only five hours away.

Competitive salary starting at \$77,646 for a new grad and goes up with experience. Excellent benefits.

\$10,000 sign on bonus with a 2 year commitment.

Relocation assistance is available.

Up to 30 days housing assistance.
