

## **OT for Midland, TX**

Preceptorship for new grads where we put you with an experienced therapist for a while.

We are a 60 bed Inpatient acute rehab hospital that provides a higher level of comprehensive rehabilitation services with all the most innovative equipment and the latest technology with an experienced staff to mentor a new grad. We are accredited by The Joint Commission. In addition to caring for general rehabilitation diagnoses such as orthopedic, amputation, pulmonary rehab, brain injury, multi-trauma, neurological disorders, cardiac rehab, dysphagia, rheumatoid disorders, myopathy, and industrial rehab, we offer a specialized inpatient program for stroke.

All patients admitted are required to meet 3 hours of therapy 5 days/week or in special circumstances 15 hours 7 days/week with documentation why on a 7-day plan. This is a regulatory requirement and productivity expectation is based on that.

Our focus is to train clinicians in order to have good outcomes and to be able to provide excellent care to our patients. We provide continuing education opportunities to all clinicians and also continuing education opportunities.

Starting salary is \$87,710 for a new grad and goes up according to experience.

\$10,000 sign-on bonus.

Excellent benefits!
