

Now Hiring

Full-time Occupational Therapist

Outpatient Orthopedics – Upper Extremity

Hand to Shoulder Center of Wisconsin

Appleton, Wisconsin

Overview:

Hand to Shoulder Center of Wisconsin is now hiring a full-time Occupational Therapist for an Outpatient Orthopedic / Upper Extremity focused position in Appleton, Wisconsin.

Work Schedule:

Position includes 36 hours of patient care per week with additional documentation time. Each therapist is required to work until 5:30 at least 2 days per week. Position includes occasional weekend hours for certain cases 2-3 times per year.

This full-time position will work directly with 7 Board Certified Orthopedic Hand Surgeons as well as a team of over 20 highly skilled OTs and PTs in a private clinic setting.

Join The Team:

You'll have the opportunity to treat patients one-on-one applying interventions for the hand, wrist, shoulder, and thoracic region as well as fabricate custom orthoses for management of hand, wrist, and elbow conditions.

Our ideal candidate has a background in manual therapy with motivation to become a certified hand therapist (CHT) and certified orthopedic manual therapist (COMT). Excellent mentorship opportunities are available to further improve skills along with a generous continuing education package of \$2,500 per year.

Caseload:

A typical caseload includes: variety of post-operative and conservative hand/shoulder/upper quadrant injuries and diagnoses.

Job Requirements:

- Eligible for Wisconsin state licensure as an Occupational Therapist.
- Both new grads and experienced OTs will be considered. Prior orthopedic experience working with hand and shoulder/upper quadrant injuries and diagnoses is preferred.
